

Girlfriend Goes Out with Friends

"Hi babe, I'm home" is what woke me up from my sleep, I looked over at the clock on the nightstand and it read 1:23 AM. "Wow," I thought to myself, she must have had a great time tonight going out with her friends dancing.

The woman that I am referring to is my beautiful wife Yvonne. You see about every other month or so, my wife gets together with two of her friends and they go out, oh sometimes just to lunch, so they can talk and laugh, and other times, like tonight, to go out to dinner and maybe even some dancing. I admit I like when they go out dancing. The thought of my wife dancing with another man, or even other men, just, well it just makes me so proud and excited.

I am ashamed to admit it, but like many married men, I love the thought of my wife being admired and touched by other men or even making love or having sex with another man that is very arousing for me!

She is fabulous to look at and she has such a wonderful personality. Being married to her for the past fifteen years has been wonderful. She and I both care about our appearance and wanting to look good has been an important part of our relationship. It just keeps the spark alive when we see each other nude, and looking at my wife nude, is a real treat!

Oh I know I must be biased in saying that, but she is very pretty and she has a very nice figure! She stands about 5' 1", so she's petite, with a body that was made for fucking! I am not exaggerating either; she wears a full 34 C cup bra and her tits have a wonderful natural hang to them. They are also very full and firm. In other words, my wife has nice tits! Her waist is 26" and her butt, oh her butt is magnificent! She has a round smooth brown ass. She is a Latina and her skin has a beautiful brown tone that literally makes her look like she is tanned all year long.

Well, as I woke up to her greeting, I looked up to notice her taking off the tight jeans that she had worn out that evening. She had already unbuttoned her turquoise top, so she was there, getting undressed in her dark blue push up bra and her pretty lace thong panties.

Oh I love looking at my wife in her bra and panties! She has so many too! Two drawers full of nothing but pretty bras and panties, and she looked beautiful!

She then said to me "oh I love you honey, you're the best husband in the world!"

"Hmmm" I thought, "she must have been dancing with some attractive man and well it just made her come home hot and ready for me!"

As she climbed into our bed and snuggled up next to me, I could smell a hint of cologne on her along with the scent of the nightclub. Oh you know, the scent, sort of a mix of cigarette smoke, and alcohol. Well that mixed with her perfume made her even more attractive to me!

I was ready to hear about how she danced and had fun, and now was ready for me to make wild passionate love to her, when she moved in, and gave me a big kiss. I mean she was French kissing me, making our tongues dance. It made my penis so hard, as I lay there, nude in our bed kissing my

beautiful wife.

I reached down to feel her beautiful boobs in her push bra, then I moved my hand down over her nice tummy and placed it right against the soft silky material of her blue panties. "Oh" I thought to myself, "for when I reached between my wife's legs, the crotch of her little panties was soaking wet!"

"HMMMM, "I moaned

When she said to me, "honey, you know that fantasy that we talk about it bed?"

"Which one is that honey?" I said, fully knowing that the one that we talk about all the time, the one that makes my dick so hard and her pussy so wet!

"Well" she softly said, "the one about how much you really want for me to get naked with another man, and well just fuck get fucked really good?" she said softly.

"Oh that one, yes, I know that fantasy babe" I replied.

"Well, you know that I love you very much babe" she said,

"I know baby, and I love you too" I said

"Well, I sort of, well oh, I did it honey! I did it for you!"

"Oh did I just hear my sexy little wife, say to me that she got fucked for me?" I thought to myself, my head was sort of spinning hearing those words, but my dick was so hard! All 5" of my penis sticking straight up, at full mast!

"Oh sure you did" I replied, thinking this would be a great fantasy story for her to tell me while we made love.

She kissed me deeply and said again, "Oh honey, it was so different, so exciting, oh so amazing."

Then I knew, she might actually be telling me the truth, so I played along and said "Well then, my love, oh I must know every intimate detail of your encounter right now!"

Oh she smiled and said "Oh I knew you would, and I was hoping you would be so turned on!"

She reached down and placed her soft little hand around my rock hard shaft, "and you are! You are so hard honey! Oh I love you!" my wife whispered to me.

As we lay together in our marital bed, with her hand slowly moving up and down my hard dick, and my hand gently massaging her soaking wet panties that covered her snatch, she began telling me...

"Well, as you know, I drove up to meet Marla and Cassie, and we went out and had a light dinner at Toni's Italian cuisine. Afterwards, Marla suggested that we all go out for a couple drinks, so we drove over to Tina's (which is a nightclub about an hour away from our house.)

"Ok, go on" I replied

"Well it was the same as always, you know men and women there, dancing, drinking, and having a good time"

"Uh huh," I replied

"So Marla and Cassie were dancing and I was sitting there just relaxing enjoying a light beer"

"And nobody asked you dance?" I inquired

"No there were a few men who did, but I wasn't really in the mood, when Jeff came over and asked me dance"

"Jeff" I asked, "Who is Jeff?"

"Oh well Jeff is name of the man that I was with tonight" Yvonne replied.

I gulped and said "really, ok go on" as I could feel my dick hard in my wife's soft little hand as she continued talking and jacking me off slowly.

"Well, he walked right over, and I thought he was handsome and polite as he put his hand out and plainly said

"Hi there, my name is Jeff; oh you seem a bit lonely here sitting all by yourself, please do me this honor and dance with me."

"Well, I sort of laughed and a said to him, "you know what, I will dance with you"

"Well what did he look like honey?" I asked my wife

She replied "oh he was just a bit taller than you, with brown and grey hair, I would say close to our age, and yes he was handsome."

I laughed and grinned knowing the type of man my wife likes to look at, and said to her, "ok go on please"

"So we danced a fast song, he asked my name, not talking much, and then a slow song came on. I thought that we would head back to my table, when Jeff grabbed my hand and smiled at me.

He said, "Not so fast there, let's keep dancing"

"Something in the way he said that, made me smile back and say to him, ok, let's do. As we were dancing slow, I could feel him pulling me close, oh he smelled nice, so I didn't mind and I thought, what the heck, I know Andy would like for me to get turned on, so I'll move close and push my boobs into his chest" she told me.

"Is that so?" I replied, as my dick hardened as she spoke.

The thing is, my wife has really nice full tits, and I myself love it when she pushes them into me when

we hug, so I know he was getting a real treat!

She continued, "oh I know he could feel me pushing my tits into his chest when all of sudden, I felt one of his hands move from the small of back, down to my ass.

I started breathing heavier hearing that, so I replied "your ass, he put his hand on your ass right there on the dance floor?"

"Yes, and well I didn't say anything; I just kept my arms around his neck dancing with him"

"Oh really, so you enjoyed that huh? Well no harm in that, I mean, well you do have a really nice ass honey!" I told my wife.

She smiled and kissed me again and said "well honey, actually it's then that I felt Jeff put his other hand right on my ass and he squeezed my butt"

I was so hard hearing this and I said "oh go on babe"

"I was a bit shocked, but I didn't stop him, I let this stranger grab my ass on the dance floor, soon the song finished and we headed back to our table where he told me I was a beautiful sexy wife and that my husband is a lucky man."

"He sort of took me by surprise saying that."

Then he said, "Yes, I noticed your wedding ring, and it's ok, there's nothing wrong with sharing a nice dance with man and then going home to your husband, I bet you love him a great deal, don't you?"

"Yes I do, how do you know that?" I asked him

He said, "well I sat over there and watched as maybe five different men came over and asked you to dance, and you turned them all down, now I may not be an expert in a lot of things, but one thing I do know is when a pretty wife is out with her girlfriends, she must really love her husband if she does not to want to go dance with every Tom, Dick, or Harry, who ask her"

"Really, I told him, so what made you think that I would dance with you?" she asked him.

He replied, "well I admit I didn't know that you would, but with your pretty smile and well don't be offended, but your awesome body, I had to ask!"

I could tell that my wife, was excited now, as I kept my hand on her panties and felt her wetness all around the crotch, I started to try and pull her panties down, being so excited now.

She said "slow down tiger, there will be plenty of time for that" Oh she loves to tease me and I love it!

"Oh babe, fair enough, so what happened next?" I asked my sexy wife.

"Well that's when Jeff said to me, you know Yvonne, I'm not really much of a nightclub type of guy, I prefer a more personal setting and conversation, would you be offended if I asked you to come back to my place so we could sip a glass of wine together and talk some?"

"Well I was a bit shocked that he asked me that, but for some reason I didn't say no"

Then he continued, " I bet your husband is sitting at home waiting for you to come home and tell him all about how you danced with another man, and well how wet that made your panties, so that you two can make hot love, am I right?"

"I was floored that he said that to me, but I could also feel my panties becoming very moist, so I replied to him, well maybe, and he just smiled"

He told me, "it's ok Yvonne, oh if I had a wife as pretty as you; it would arouse me too to have other men admire you!"

"Oh I smiled and he said to me did you meet your friends here, or did you drive?"

"I drove," she replied"

So he said, "Great, I'll tell you what, let's leave here and you follow me back to my place. I will drive slow so you can follow me, if you decide on the way that it's not for you, just turn and head home. No harm, no foul, but if you follow me, we can share a drink and let's give you a great story to take home to your husband, what do you say, is that fair enough?"

"Wow," she said she thought to herself, how he knew how you would love hearing about such an adventure, so I told him, ok fair enough" Yvonne told me.

"As we walked out to the parking lot, he first took me to my car honey, and he said, to me"

"Well in case you decide not to follow me, at least let me get one good memory in and he pulled me close, looked me in the eyes, and then he leaned in and kissed me honey." She said.

"What he kissed my pretty wife?" Oh my head was a bit jealous, but my dick was throbbing at this point as my wife continued jacking me off.

"Oh, he kissed you, and what did you do babe?" I asked my wife.

"Oh honey don't be mad, please" she said, "but I kissed him back, I'm not sure why, maybe it was the two beers I had earlier, or just the moment, but I kissed him back right there in the parking lot!"

"Oh, well I can't be mad at you my love, I love you!" I told her

She smiled and said "Once he got to his car, I proceeded to follow him, I admit I thought about turning, but at this point, I decided, oh what harm can there be in going to his place, having a glass of wine, maybe kissing him and coming home so wet and ready for you babe!"

I smiled and said, "Oh that's a good girl, I like how you think! Please continue."

"So, we pulled up to his condo, and he slowed down, and rolled down his window and showed me where I could park. He then parked and walked over to greet me saying, so you decided to come over, that's wonderful, here let's go inside."

"As he did, he playfully grabbed my hand and he led the way honey." She said

"When we got to his door, he opened it and turned me towards him and he started to kiss me again honey, I mean a nice long French kiss, in his doorway, and well it felt nice, I admit. He put his hands on my butt and then he said to me, Yvonne, you have a really nice ass!"

"He showed me where to sit on his leather sofa, as he went into the kitchen and came back with two glasses of red wine, and he said, let's propose a toast, a toast to a new friendship!"

"I smiled and took a sip and he reached over and picked up a remote control and pointed it towards his stereo and turned on some music. At this point, I could feel that my panties were really wet and he said to me, you know, you dance so beautifully, would you do me a favor before you leave and do you think that maybe you could dance for me?"

"Dance for you, or with you? I asked, and he said please dance for me; I want to watch you dance, please?"

I said to her, "Well I know you love to dance babe and he's right, you do dance well, so did you honey, did you dance for Jeff?"

"First of all I couldn't believe that now I was using his first name, and now asking if she danced for him?" I thought to myself. Remember, my wife is a sexy Latina, and she dances very well, moving her hips and she looks so seductive when she dances, I love watching her dance too!

"Oh honey, don't be mad, but yes, I got up, and started to dance, move nicely, they way you like it honey, moving my hips and rotating, I thought it would be fun and it was" she said.

"I closed my eyes and when I opened them, Jeff was sitting there on the sofa watching me dance and he had his hand on his crotch, and well thru his tight jeans, it looked like a rope that he was massaging honey"

"Really" I said, "wow, go on babe" as she moved her soft little hand faster on my shaft.

"Well babe, please don't be angry, but Jeff said, please do me the honor and can you take off your top and jeans, and dance for me in your bra and panties? Oh I know what type of husband you have, he is so proud of you and well I bet he would love to know that you danced for another man in just your pretty bra and tight little panties, right?"

"Honey, I could not believe that he just asked me that, but I couldn't lie honey right?"

"Well no, lying is not good babe" I replied

"So I told him, yes, yes Jeff, I know my husband will get very hard when I tell him, so, well, ok, but that's it, nothing further ok?"

"Sure Yvonne, you do what is comfortable for you, no worries, but hmmm yes please strip and let me see you, oh I just know you are wearing a pretty bra and panties under your clothes!"

"So as the music played, I began to unbutton my top honey, and soon it was open, I looked at Jeff and he looked like a kid in a candy store, it made me even more excited, I took off my top and placed it on a chair, and danced in my bra, this bra honey" as she sort of sat up a bit letting me see her pretty blue push up bra.

"Then I started to unzip my jeans babe, I teased him for a while and then I turned away from Jeff and started to take them off slowly, oh so he could see my ass babe, oh I couldn't believe that I was actually doing that, showing another man my ass in my thong panties!"

My head was spinning with jealousy now, but I was leaking all over my cockhead as my wife spoke.

She proceeded, "then I took them off and I placed them on the chair next to my top, I put my heels back on and I danced, oh I danced for Jeff in just my bra, panties, and high heels babe! Oh it felt strangely arousing, I was so excited, I could feel my pussy getting all wet in my panties honey, I admit it!"

"I was moving and dancing, feeling so naughty, and Jeff said to me, you know what would make your husband even more proud and excited when you tell what you did for me?"

"What would that be, I asked, she said"

"He replied, if you were able to tell him that you danced topless for me!"

"Again, I was shocked he would ask, but well oh honey, I was excited, dancing for him like I do for you, so without saying a word, I reached back and I unhooked my bra. I teased Jeff babe, letting the cups stay on my boobs, then I straightened my arms, and allowed my bra, this bra that I am wearing now, to drop to the floor, as I continued dancing, topless, with my tits on display to Jeff!" she said.

I was in disbelief myself, as I pictured him staring and lusting over my wife's nice tits! Her boobs are magnificent, so full and so beautiful!

He said to me, "Oh Yvonne, you really do have nice tits! Oh your husband must be so proud of your tits, he is, isn't he?"

"Yes Jeff, he is proud of my tits, as a matter of fact, oh I am proud of my big tits too!" She said she told him

"I reached up and I started massage my tits babe, I was openly playing with my tits, like this" my wife said.

As she reached back, unhooked her bra and allowed me to view her wonderful full boobs! She grabbed them with both of her hands and she started to feel and fondle her boobs.

Saying to me, "like this honey, you know how much I love my tits" and it's true she often plays with her tits in bed and it stimulates her and I.

"Jeffrey was so hard looking at my tits, do you know how I know that babe?" she asked me.

Even though I could guess, I replied, "Tell me how you knew how hard he was sweetie?"

"Well" she exclaimed, "I had turned around so that he could get a good view of my butt in my thong panties babe, the butt that you say turns you on so much, and when I turned back around to face him, he had his zipper down and his cock was sticking straight up! He was masturbating while he watched me!"

"No way, he was jacking off as you danced in your sexy panties and heels?" I said while laughing.

"Well how could he not want to jack off?" I told my wife, playfully.

"Oh you are silly honey" she told me, as she kept her soft hand jacking off my dick.

Then she said, "and oh his cock babe (she emphasized the word COCK), it was, such a big beaut...oh I mean, such a large cock, too!"

"Say it, babe, you were going to say beautiful weren't you?" I asked her.

"Please don't be mad at me honey" she said

I was hurt and jealous and couldn't look my bride in the eye. I quietly said in a lustful voice "feel my dick, honey it's so fucking hard!"

She said with a sly smile, "Oh I know, you are so hard and my hand is all wet from all of your pre-cum dick juices leaking all over, oh I love it!"

"Ok then, yes Oh YES; Jeff had the most beautiful Big Cock that I have ever seen!" It must have been about this long" she said

As she held out her hands like a man who shows the size of the fish that got away, and her hands must have been at least 8"or 9" apart.

"Was it like my cock babe?" I asked her, as I pulled the sheet back to expose my rock hard 5" dick.

"Well I mean he was hard like you" she said

"But?" I asked,

"Well honey, except that his cock was much longer and well really much thicker than your cock babe" my sexy wife told me.

"Well just how thick was his cock baby?" I asked her

"Oh honey it must have been about as thick as the fat part of a long neck beer bottle and it was magnificent to look at and to taste....I mean look at."

"Taste?" You were going to say taste weren't you?" I asked her

"Oh honey, I couldn't help it, oh I did, I tasted his big cock"

"How did that happen babe," please tell me "Ok so where was I? Oh yea, as I turned around, Jeffery had his cock out, that big cock, and I looked at him and he said, oh Yvonne, please don't be offended,

but I couldn't take it anymore! Oh I had to play with it, I had to take my cock and just play with it as you dance, you are just so sexy!"

"Besides, oh I bet your husband is going to love to know that you actually saw another man's cock, and that you looked at my Big Cock! I know that I have a big cock, and its ok for you to look at it. Look at it all you want!" Jeff said.

"Oh I bet you would love to feel it, wouldn't you, I bet that you would love to touch my cock, wouldn't you Yvonne? Tell the truth now; do you want to touch my prick?"

My wife was breathing heavy as she said to me "Oh honey, I couldn't help it, it's like I was drawn to his cock, and I thought about you babe, and how you have been asking me in bed, not only asking, but practically telling me that you want another man to fuck me, so I thought it would just be nice to feel another man's big cock"

She went on saying "so I sat on the sofa next to Jeffery, and he said go ahead here let me help you, as he grabbed my hand and placed it on his big beautiful penis! Oh it was so hot honey, and so big! It was so much bigger around than your dick babe; it felt good in my hand."

My pretty wife went on saying to me, "then, with his hand around mine, he started to move my hand up and down his cock honey, like he was using my hand to jack him off. It felt so hot and hard in my hand and he said to me, Yvonne, why don't you kiss my cock, you know your husband would like that, what's his name by the way?"

"Andy I said, my husband's name is Andy, and how do you know he would like me to kiss your cock, huh?"

Jeff said "Oh I know husbands like Andy; I know he loves to show you off, he loves for you to dress sexy, and he allows you to go out dancing with your girlfriends. I know in bed he tells you how much he wants to watch you having sex with another man, he wants you to get fucked, doesn't he Yvonne?"

"Oh my goodness was my wife really telling me this I thought?" I was jealous another man spoke to my pretty wife like that, but you wouldn't know it by how hard my smaller dick was throbbing!

"We do talk of it, yes, but I have not done it, it's only a fantasy" my wife said she told him.

"I understand, but let's give Andy a good story, besides from the way I feel you jacking me off, I can tell that you want to suck my cock!" Jeff told my wife.

My wife then said, to me, "I looked down and I didn't even notice that he had removed his hand from mine, he was right Andy, and I was jacking him off myself."

"His dick was so big, it was then that I felt his strong hands on my tits, as he started to feel my tits babe, feeling and squeezing them, and you know how much that turns me on babe, having my tits played with." She moaned.

I started to feel and fondle my wife's beautiful naked tits, imagining how Jeff must have been feeling her tits too!

"Please baby, go on...oh please" I pleaded with my wife

"So, I moved my head down to his lap with his big cock in my face, and well I started to kiss it all over, it was just so big! I looked at him and he was grinning, saying to me, go ahead, it's ok Yvonne, suck it, suck my cock!"

"I don't remember how I started but the next thing I knew, his big beautiful cock was in my mouth, oh I had to open my mouth very wide, to try and suck that huge cock honey, I was sucking him, I was sucking another man's cock, and it was a big cock!" she said

"Just then I heard him say to me, that's it baby, suck my cock, be a good little cocksucker and suck my big cock, just like your husband wants you to, do it for him, you know he's going to be so hard when you tell him how good you sucked my big cock baby"

"Suck it bitch, that's it, you yes, you are a good little cocksucker Yvonne, oh you sexy, fucking cock sucking wife, suck my dick!"

"You let him talk to you that way honey?" I asked my wife as she jacked me off

"I'm sorry honey, I guess I did. Oh you know how we always talk dirty in bed right?" she asked.

"Yes I do, but I wouldn't say such nasty things to you ,sweetie" I replied.

"Well hearing him talk so dirty to me made me think of you even more and I wanted to suck his cock so well." My wife told me.

"I bet your husband, Andy, doesn't have the balls to talks dirty to you, doesn't he? Telling you what a sexy little bitch you are huh, how good you would suck a big cock, huh, but I I know he thinks it!" Jeff said.

"Oh Andy sucking his cock was so hot, and then he said, I want you to go down and suck my balls bitch, as he pulled his cock out of my mouth, go down and lick and suck on my big balls slut, I know you want to"

"What? And did you? Did you suck his balls too?" I asked my wife

I continued saying to her "Oh Vonny, that's so naughty, so nasty, something only nasty slut do." I told her.

" I couldn't help it honey, I was so turned on, that I moved a bit lower and looked at his big balls, oh honey, both of your balls together are about as big as one of Jeff's balls, he has huge balls! Big sexy balls honey, like the size of tennis balls!" my pretty little wife told me.

"So I went down and I started to suck on his balls, as much as I could into my mouth, then I started licking and sucking his balls as he told me, that's it suck my balls, like a good little cunt wife, that's it whore, suck my nuts, oh that feels so good bitch"

"That's when I felt his hand move down to my panties and he said, oh fuck your cunt is soaking wet! What a good wife you are Yvonne, a sexy hot pussied wife with a wet cunt!"

"He then told me stop, he told me to stand up and he said, pull down your panties for me Yvonne, I want you to pull down your panties for me like a good cunt, you hot sexy little fucking whore, my whore."

"So I stood there and pulled my panties down, I pulled them down and stood there naked, except for my high heels on, he likes only shoes on, like you do babe," my wife said.

"Then he put his hands on my naked ass, squeezing my butt honey, as he pulled me towards him, until my pussy was right in his face, and then he just buried his face in my pussy babe"

"I couldn't believe that he was licking my cunt with his hands on my ass babe, oh it felt so good, I admit it, you know how much I love my cunt licked right Andy?" my wife asked me

"Yes Vonny, oh I do, I do know how much you love to be licked!" I replied.

"He then stood up honey, with that huge wonderful looking cock, sticking straight out and he said I want you to tell your husband how good I ate you out! He laid me on the sofa, he spread my legs, I had only these navy blue heels on honey and he started to lick my wet twat!" My wife told me.

She went on "He pushed my knees back to my tits honey, his face was buried in my cunt, he was sucking and licking my cunt lips," my wife has long pink cunt lips that she loves sucked.

She went on telling me "oh I was going wild!"

"Then, without warning, with my legs pushed so far back that my ass was off the sofa, I felt his tongue in my ass baby, he started to lick out my asshole the way you do!" she moaned to me.

Here was my wife, in bed with me, telling me how another man had just licked out her most private place, her asshole, and I loved it! "Oh what a naughty nasty hubby I am!" I thought to myself.

"Should I go on?" she asked me teasingly!

"Please do baby!" I told her.

"Well, honey you know how it absolutely drives me crazy when you lick out my butthole, well it was no different, just a different tongue up my butt, and it felt wonderful!"

"He was going back and forth, licking out my asshole and my cunt hole, I was in pure lust, I thought that I was going to cum as he rimmed me!" my wife exclaimed!

"He sensed it, so he stopped and told me," she said

"I am going to give you what your husband really wants! I am going to give you a hot wet cream pie to take home to him!" Jeff said

"As I lay there honey, with my cunt all swollen and soaking wet, Jeff sort of turned me sideways and he got half ways on the sofa.

"He got between my legs with his big cock at my cunt"

He then said to me "oh tell me what do you want Yvonne, what does your husband say he wants for you to do with another man?"

"Oh Jeff, he wants me to fuck Jeff, he wants me to fuck another man Jeff! " She said she told him.

"Tell me again, tell what a hot dirty slutty cunt that he wants for you to be, tell me what dirty names he calls you in bed when he tells you bitch." Jeff said to her.

"I want you to get fucked by a big cock. A cock that you can suck and a cock that will stretch out your hole, oh I want you to fuck like a whore, like a sexy cunt wife, Yvonne, that's what I told Jeff babe" she said to me lustfully.

"He just grinned honey, almost sneering at me."

"I knew it, I knew you were a sexy, big cock loving whore wife, when I saw you, and now you are going to get just what your husband wants for you, a big cock and you will love it!" he said to her, she told me.

It was then that she pulled her panties down for me, she reached down with her other hand, the hand that wasn't on my dick, and she seemed to be making a scooping motion, as she proceeded with her story, she brought her two fingers up to my face, first under my nose to sniff, then she stuck her wet fingers into my mouth!

"He rubbed his cock head, that big beautiful cockhead up and down the length of my pussy honey, I was going wild, and he said tell me what you want, you sexy cunt. You fucking hot little whore, what do you want?"

"I want your cock Jeff, oh I want you cock! Your big beautiful hard cock, oh I want it in my pussy, oh Jeff I want you to fuck me!" my wife said to me.

I was so hard I almost shot off right there and then, but she realized that, and she stopped jacking me off, it was then that I noticed a slightly different taste from her fingers that she put in my mouth, oh sure they tasted like her wonderful pussy, but also they tasted a bit salty, something I had never tasted before.

She went on "He looked at me, he grabbed my legs and opened them wider and he started to push his big cockhead into my pussy babe! Even though, I was soaking wet, it still just stayed in place, my hole not being used to such a big cock, he smiled and said to me, oh Yvonne, you have such a tight cunt!"

It was then that I realized the reason it tasted different because she has scooped his cum along with her wet pussy juice out of her soaked twat!

"He was so big, oh Andy, it hurt for a bit, for a few seconds, I have never felt anything that big going up my pussy, but soon, oh it felt so good, so wonderful, like I was being stretched out!"

As my wife said that, she laid me flat on my back, and she straddled my face. Her knees on each side of my head, her beautiful shaved swollen cunt just inches from my mouth and nose, and I could smell the

scent of her cunt and sex on my face.

Then she continued, "it was amazing Andy, you know I've heard a saying about how it feels to be thoroughly fucked, well until now, I thought I knew what it meant, but for the first time, now I really know what it means! I was thoroughly fucked tonight!"

With that, she lowered her cunt to my face, my sexy little wife sat on my face! She stated to feed me her hot wet slippery cream pie! I reached up to grab and feel her big beautiful tits.

She went on, "He went in slowly honey, his cock in my pussy, your wife's pussy; oh it felt so fucking good!"

As she began to rock her hips back and forth, riding my face, and I was eating my wife's soaking wet cream pie pussy!

"Then he started to fuck me, oh and he fucked me so well, so good, it wasn't a minute before I started to cum on his cock, I have never cum so fast, my pussy started to cream, his cock was so big that it would stimulate my clit with each thrust, oh I was cumming all over Jeff's big cock!" She was saying to me.

By now, I was eating and licking my wife's cunt like there was no tomorrow, I couldn't get enough of her wonderfully well fucked pussy! I knew she had been fucked maybe an hour or so ago, and I was eating her out!

"Oh I came for what seemed like minutes honey, it was that intense, oh it was the Best Fuck I have ever had in my life!"

My wife telling me she just had the BEST fuck of her life? Oh yes! I was so hard!

I could feel her cumming on my face then, and she is multi-orgasmic, so it was no surprise to me when my beautiful sexy wife started to cream on my face. Her pussy juices gushed out, making his cum shoot out as well, she was so excited!

Oh I had to fuck her now; I had to fuck my wife's well fucked cunt hole too! I moved her off of me, laid her down, got between her legs and started to push my cock into her hole. Her hole was so loose and so open, not only from being so excited and ready, but because Jeff had actually really stretched her hole!

Her pussy felt like a well fucked cunt! The way a good wife's pussy should feel, a pussy that needs to be shared and enjoyed. My cunt wife's pussy!

She kept talking, saying, "That's when Jeff, stood up honey, he told me to get on my knees with my face in the sofa's pillow, so I did and he positioned his big cock into my pussy hole from behind, and in one big thrust he pushed his cock into my cunt hole! Oh it was amazing, I was so turned on as he was fucking me doggie style!"

"He started to spank my ass babe, he was spanking my nice ass, and he was telling me, this is for Andy, you're lucky husband, I'm fucking your cunt Yvonne, I'm fucking the shit out of your pussy for you and for your husband, and here's his treat!"

"I felt as he started to cum, and he yelled out, I'm cumming, oh I'm cumming, take my big load up your wet fucking cunt, you sexy little married tramp! Take my cum, that's it whore; take my load, my sperm, into your married fuck hole! Good girl! Good Wife! Good slut!

"Take home a hot cream pie to Andy!" Jeff told her.

That's when I shot off, even though I could barely feel my wife's cunt around my smaller cock, I shot off into her pussy, so nicely, just as she started moaning, feeling me also filling up her snatch with my dick juices!

She then said "He then told me, here is my number Yvonne, you can think about this night, share all the details with your lucky husband and if you like call me. I would really enjoy it if he would like to watch me fuck you next time and we can make a whole night of it!"

"A whole night of you sucking my cock, me sucking your cunt and asshole, me fucking you, and you riding on my cock, let me know!" Jeff told me sexy little wife.

"So, that's what happened to me tonight honey, I hope you're happy, I love you!" my wife said to me as I finished blasting my load up her cunt hole!

"Oh I am babe, I love you too, and by way, I am going to watch next time! I'm going to watch you with Jeff; you are my sexy wife and a hot fucking cunt, I love you!" I told her.
