

Lisa's Lust

Lisa placed Rick's breakfast on the table. Her handsome husband smiled up at her and said, "Looks good. Thanks honey, love you."

"I love you too Rick. This is a day to celebrate. You're getting better, going back to work and soon we'll have our lives back to normal."

"Yeah. I'm really feeling good. I'm feeling my strength coming back. In just a couple of more weeks we'll really be able to celebrate! I can't wait to make love to you again, Lisa."

"Oh god Rick, I can't wait either. It's been sooo long!"

Lisa had been over three months without sex, and it was really beginning to get to her. It was three months earlier when her husband Rick had been diagnosed with testicular cancer and due to the surgery and treatments they still weren't able to resume their sex lives.

Soon she thought, the doctors said that soon things would be getting back to normal. It seemed as if the treatments had been successful, the cancer seemed to be gone and Rick was making a great recovery. Soon she wouldn't have to be without sex. She missed that regular lovemaking. In fact the lack of sex was driving her crazy, she hated to go without it.

"It's going to really be great when Doctor Worthington gives you the clearance."

"I know honey. I'm really looking forward to it. By the way, Jimmy is supposed to drop by today to replace the garbage disposal. He said he'd be around sometime after ten."

Lisa looked at Rick and smiled, "Your brother is such a sweetheart. He has been the greatest help to us since you got sick, always taking care of the odd chores."

Rick laughed. "Lisa, he's a great kid, I'm just sorry that his marriage didn't work out. Of course it's probably for the better, Gina was such a bitch to him."

"You can say that again. Good riddance, besides, I'm sure that as cute and funny as he is he'll have all kinds of women to choose from when he's ready."

"I think the reason he helps out so much is so he can check out his sexy sister-in-law!", Rick teased.

"Richard! You shouldn't say such things! Jimmy is a good guy, he's been a big help to us."

"I'm only teasing. But you are one hell of a sexy woman!", he said as he stood up, "I gotta go so I won't be late on my first day back to work."

Rick kissed Lisa and left for work.

At five minutes after ten the doorbell rang and Lisa hurried to the foyer to answer it. When she opened the door Jimmy stood there smiling at her. She smiles back, "Hi Jimmy. Thanks for coming over and taking care of that disposal for us."

"Hey Lisa. No problem. Families take care of each other, you know?"

Jimmy couldn't resist checking out his sexy 5'8" blonde haired sister-in-law. She was absolutely gorgeous. Lisa had a beautiful slender body and she kept it that way from working out a lot. She weighed around 130 pounds. It was her firm, well-toned body with those huge tits that always caught his eye every time he saw her. She had a great heart shaped ass, the kind you just want to grab every time you walked by her and her legs were long and toned. Lisa was wearing a tight pair of jeans with a tight, silky, white button up blouse that was a little too tight, which made her blouse gap open between some of the buttons exposing some cleavage.

Lisa looked at him and gave him a knowing smile.

Busted! "Shit" Jimmy said to himself as he saw her catch him staring at her body. He smiled nervously.

"Hmmm," Lisa thought, "Maybe Rick was right about Jimmy checking me out."

"Would you like something to drink before you get started?", Lisa asked. As she talked with Jimmy Lisa found she was mentally undressing him, it was so embarrassing, yet she couldn't seem to help herself. It had been just too long since she'd had sex. To her embarrassment, her eyes kept drifting to the enticing bulge in the crotch of her brother-in-laws tight jeans.

"Damn!", Jimmy thought, "She's checking me out. She's never done that before. I wonder if she's had any kind of sex since Rick got sick? I wonder..."

"Sure, I'd like a nice cool one. It's going to turn into a really hot one today." He replied and followed Lisa into the kitchen where she took two long necks out of the fridge and popped them open handing one to Jimmy.

"Let's talk in the living room, Lisa".

They went into the living room and sat down on the couch, drank their beer and made small talk. Lisa had always enjoyed talking with her brother-in-law; he was so easy to talk to. Finally Jimmy asked her, "Something's on your mind Lisa. What is it?"

"What's what? " Lisa replied, blushing.

"Aha," he grinned, "I knew it! There is something on your mind, all right. You're blushing. What are you blushing about? You can tell good old Jimmy."

Oh, no, she couldn't. How could she tell her husband's brother that she'd been constantly horny for the past three months and it was just getting worse? No way!

"Thanks, Jimmy," she sighed, "but it's pretty private. Personal. I don't think I'd be comfortable discussing it with you."

"Remember what I told you earlier, families take care of each other. If you need to talk about it I'm a great listener and I understand about these things."

"Yeah, right. And what would those things be?" Lisa asked nervously.

Jimmy said gently, "I know you're horny, Lisa. You've got to be horny after three months. I remember how bad it was after my divorce. When you're used to getting it and suddenly it's gone, you really miss it."

"Jimmy!" Lisa gasped, "You shouldn't be talking to me like that. I'm your brother's wife."

"Yeah, you are and that's even more reason to talk about it with you. You're family and you need to talk about it. Get it in the open so you can deal with it. Don't let it get to the point where the situation gets so bad that you wind-up making a mistake with some stranger."

"That would never happen!" she protested.

He cupped her chin and forced her to look at him and she dropped her eyes guiltily like a little schoolgirl and blushed even harder. Jimmy laughed.

"Come on, Lisa," he said, "you gotta share it with somebody."

Lisa realized that she was beginning to get very excited from the attention Jimmy was paying to her and all of this talk about sex. Sex that she wasn't getting! She felt her pussy growing hot as fire. Hot, sticky cunt-cream leaked from her neglected cunt, moistening the crotch of her panties. All of a sudden her own brother-in-law was getting her turned-on! Lisa was ready to scream with her suppressed horniness.

"Oh, my God," she thought, "what's wrong with me?" Of course she knew what was wrong...She needed to have her horny pussy fucked desperately.

Lisa turned to Jimmy to tell him they should change the subject but at that moment her brother-in-law planted his mouth on hers and kissed her, darting his tongue into her mouth. Lisa was completely taken off guard. She felt her heart pounding and she began sweating from her horniness.

She sank back into the couch, and returned his kiss. Her mind kept telling her it was wrong, it was cheating but her body didn't give a damn. Her body wanted to feel a man's touch, and she was so fucking horny and aroused at the moment, it didn't matter whose.

A sudden surge of guilt roused Lisa from her lustful surrender. She knew that if she didn't get away from her handsome brother-in-law in the next few seconds, she'd lose her self-control completely. The consequences of that could be disastrous for them both. With every ounce of willpower Lisa wrenched her face away from Jimmy's.

"Jimmy, this is totally wrong. We mustn't do this," she stammered.

"How come?" he grinned.

"I'm your brother's wife; we shouldn't be doing this! It could really ruin all of our relationships."

"I'm trying to help you get some satisfaction. I just want to help you solve your little horniness problem. I just don't see what's so awful about it?" As he talked, Jimmy started lightly stroking her enormous tits through her shirt. Lisa lay slumped against the back of the couch, breathing hard, trying

desperately to control herself.

His hands closed over her tits and started squeezing. She flushed with guilt as she felt a shameful fleeting desire to press her satin-smooth quivering flesh mounds more solidly into her husband's brothers' excitedly sweating palm. To her horror, she felt a tingle in her pussy right away as surges of hot lust flashed through her. Damn it all! If she hadn't have been without sex for so long, she wouldn't be so dangerously horny right now. As Jimmy's hard, manly body pressed up against her. She felt his hard cock throbbing on her thigh and she felt her pussy getting hot and creamy and swollen.

She tried not to think about the hard, satisfying cock pressed against her thigh but instead concentrated on his fingertips rubbing lightly over her painfully erect nipples under her shirt, he stopping occasionally to pinch each one to an even more stinging hardness and causing a series of ripples of fantastic sensations to dance freely through her alerted nerves straight to her pulsing, horny cunt each time he did it.

"Jimmy, no," she cried desperately, "I told you... we can't do this... it just isn't right."

Jimmy ignored her and unbuttoned her blouse exposing the swells of her tits still encased in the sexy white lacy bra. He reach around her an expertly released the bra hooks freeing her huge milky white tits. Lisa's 38DD breasts had large silver dollar sized auréoles with pale pink colored, long eraser like nipples that were well extended due to her excitement.

Lisa gasped and tried to cover her naked tits, but Jimmy caught her wrists and forced her arms down. He dipped his head low and sucked his sister-in-law's left nipple into his hot hungry mouth. He nursed like a baby on her huge, creamy-white tits, sucking one stiff nipple deeply between his lips and then the other. Lisa groaned with pleasure, cupping his head, letting him slurp on her tits, feeling the sheer pleasure of his sucking go straight into her cunt.

"Oh, noooooo!" Lisa whimpered, the need in her pussy growing stronger by the second.

Hot juice welled from her cunt, soaking through her panties and jeans. Her nipples had always been extremely erogenous, and Jimmy's hot juicy lips felt wonderful as he moved back and forth between the two sensitive buds, sucking them into stiffness. Even as Lisa tried to wriggle free her pussy was moistening with arousal.

Lisa knew that when Jimmy began something he finished what he started. He always did. He wasn't going to give up until he made love to her, and that meant he wouldn't rest till they'd gone all the way. Lisa wondered what she could possibly offer him to change his mind. As achingly horny as she was, she still wasn't ready to fuck her husband's brother.

"Come on, Lisa." he said. "You're horny, and so am I. I think we should just take care of each other."

"But I'm married," Lisa answered hoarsely. "Oh, God, Jimmy, please don't push me any further. I...just can't. I'm not ready for this!"

"Yes you are," he leered, sliding a hand up between her legs.

He just thrust his hand against her cream-soaked jeans crotch and started rubbing her pussy-mound in a good steady rhythm. She needed to stop this but she couldn't resist him. He squeezed faster, harder, and

she slumped back against the couch and moaned in total submission.

"Ohhhhh, God, ohhhhh!" she sobbed.

"See Lisa, let me get you off," he said hoarsely. "You'll feel so much better."

She was already feeling better. Lisa was practically screaming with the need to come. Maybe if she permitted him to rub her just this once, if she let him get her off she could think clearly again. And besides, he was just rubbing her through her jeans. That wasn't so serious. It really wasn't cheating, or so the frantically horny housewife told herself. Jimmy's hand felt absolutely fantastic. Unconsciously Lisa began humping her hips against his hand as she rocketed toward that desperately needed climax.

Jimmy watched his sister-in-law's lust-contorted face as he brought her to climax. Even through her jeans and panties he could feel the scorching heat and helpless wetness of her neglected pussy. Her swollen pussy flesh was actually throbbing through her clothes as he squeezed her and nursed on her beautiful tits. Suddenly her whole body stiffened and shuddered. Her eyes were shut tight, and her beautiful face was a mask of pure lust as a violent orgasm exploded in her pussy.

"Ohhhhhh, God, Ahhhhhh! I'm cummmminnnggg.... so good... so goooooooodddddd!" she wailed.

Her body convulsed as Lisa ground her soaked crotch against his squeezing hand, her naked heaving tits jiggled and bounced. She went on whimpering and sobbing with joy as the intense climax ripped through her body. Jimmy damned near shot his load in his jeans. God she was hot! He knew now that it wasn't going to be as difficult as he'd first thought to seduce his brother's horny wife. He wouldn't rest till he'd gotten his cock into her hot, horny little fuck hole.

"Uuuuuhhhnnnngggggghhh!" she moaned, as her thighs tightened around his softly squeezing hand.

Her climax spun itself out at last, and Lisa opened her eyes and looked at her husband's brother, blushing. He didn't say anything right away he simply looked at her, his eyes gleaming with an undisguised lust.

Jimmy reached for the zipper to her jeans and tugged it open. He grasped the jeans and started pulling them down. He was much stronger than Lisa, and no matter how she struggled she couldn't stop him for long. He whisked off her jeans and tossed them aside, leaving her naked except for her skimpy bikini panties.

Jimmy could see the effect his attentions were having on Lisa, her parted cherry lips and half closed eyes, the whole front of her panties soaked with her juices. He trailed his finger down the length of her slit and pushed against the fabric feeling her fever-hot pussy through the thin, wet silk. She gulped and spread her legs for him.

Lisa trembled with lust as Jimmy's fingertip entered her pussy taking the thin material with it. She wasn't doing anything wrong, she reasoned, she still had her panties on, besides she could always stop. His finger was pushing in further. It hurt a little as it dragged the material at her pussy lips; but when it slid across her swollen clit she had to bite her lip to stop from crying out.

Jimmy had begun a soft rhythm of gently fucking her with his panty-clad finger and the squishing noise of sex filled the room as the housewife's juices began to flow. Lisa shivered again as Jimmy's fingers

caressed her, rubbing the damp fabric into her drooling cuntslit. He could surely feel how wet she was. It would be useless to argue any longer that she wasn't turned on by what he was doing. Hot pleasure flashed through her pelvis, and Lisa creamed helplessly, the molten liquid soaking right through her panties and moistening his hand.

"Do you like it, Lisa?" Jimmy asked hoarsely as he squeezed her pussy. "You like this?"

"Yes, Jimmy," Lisa gurgled, "it feels so good."

"We both know something that would feel even better, though," Jimmy leered.

Lisa reddened and said, "Forget it, Jimmy, I'm not going to fuck you. I can't cheat on Rick."

"Um, I meant with my tongue, Lisa," he lied. "I just thought you'd like it more if I got you off by sucking on your clit."

"No Jimmy, I don't think we should go that far." Lisa could see how far out of control the situation was getting and was about to stand up to stop Jimmy when something happened to break her resolve. Every faithful wife has a breaking point. It's the point of no return at which she will turn away from her wedding vows and readily allow another man to fuck her.

"No, oh... Jimmy, we have to stop," she said unconvincingly, "we really shouldn't be doing this. It's not right." Lisa had decided that she would let him have a few more thrusts and then they must stop. Suddenly the flimsy fabric of her panties was nudged aside and Jimmy plunged three fingers deep into her sex-deprived cunt. The penetration did her in.

He then slipped his free hand down inside her moist panties. Now he cupped her naked pussy, squeezing and releasing in a deliciously satisfying rhythm. Lisa's quivering cunt filled his palm with thick molten cunt-juice. She simply couldn't resist the pleasure. Digging her nails into the couch, she began to pump her hips up at him in a helpless, needful fucking motion.

"I figured you'd like that better, Lisa!" Jimmy grinned lewdly.

"Ohhhhhh, God, yessss!" Lisa moaned.

Jimmy was fingering her hot, juicy cunt faster and faster, working her into a frenzy of lust. Her hips were pumping and writhing, she was clawing the couch. Her pretty features were contorted with lust. She was close to forgetting all her hang-ups, and maybe that was why she didn't protest when Jimmy used his free hand to slip off her panties and toss them away out of reach.

"OHHHH, God!", she cried as she bucked and writhed and jerked her naked hips in a helpless fucking motion, her luscious tits jiggling enticingly.

Wantonly, she pumped her horny little cunt up and down on his fingers grinding her clit against his hand, desperate for even more delicious sensations. Jimmy thrust his stiff fingers hard and deep in her steaming cream-filled pussy, feeling the inside of his sister-in-law's cunt, scalding hot, slick with juice, and velvety smooth. Her cunt was really tight too, gripping and squeezing greedily at his fingers. Lisa was wildly horny at this point.

She considered the situation she was in and rationalized a bit further. She wasn't really committing adultery was she? After all she was only letting Jimmy finger-fuck her cunt. Surely she would be able to stop him before anything really naughty happened. Just a little while longer and she'd stop him. She couldn't get over how wonderful it felt having his fingers cramming her starved little pussy, pistoning inside her. Just a little while longer until he made her come. She would let him finger her horny cunt to orgasm and then end this, she could never allow him to fuck her, no matter how much she secretly desired having his hard cock stretching out her pussy and soothing her fire. She just needed release!

"Now here's something I know you'll love, Lisa," he said.

He stiffened his middle finger and plunged it into the little hole at the very center of his sister-in-law's pussy. He then bent it into a hook and began rubbing her g-spot. He twirled his fingertip around teasingly, and Lisa groaned with need. She jerked her hips up at him frantically, trying to impale herself on his finger.

"Oh, god, oh, please, please," she whimpered.

"Yeah, Lisa, I'll do whatever you want," Jimmy replied with a leer, "only you gotta tell me. Tell me exactly what you want me to do."

Lisa reddened. It was so outrageous for her to be telling her brother-in-law, in graphic terms, how to get her off. Yet she had to cum, or she'd go crazy with lust. She swallowed her pride and forgot her principles. Nothing mattered except that urgently needed orgasm. She had to have it, no matter what the consequences!

"Stick your finger in me deep, Jimmy." she whimpered, "deep in my pussy! Give me all of it!"

"You got it, baby", Jimmy grinned.

"Unnnnhhhh, yesssss!" Lisa moaned.

She arched her back to take it, wanting his hard finger as deep as she could get it. She soaked it with thick hot cream, and the pearly liquid overflowed her cunt and ran down the crack of her ass onto the couch cushion. That stiff hard presence felt so good in her fever-hot cunt. She whimpered with bliss as he shoved his finger all the way into her grinding his palm against her sensitive clit.

"You got it now, Lisa," he said hoarsely, "you got it all. Now what do you want?"

He knew perfectly well, Lisa realized, but he wanted to hear her say it. She had no choice. She had to have this orgasm. She was going out of her mind with lust and need.

"Fuck me with it, baby," she sobbed. "Make me come with your nice stiff finger."

"I sure will, babe," he replied with a triumphant grin.

He started pistoning his thick finger hard and deep into her juice-drenched pussy-hole. With each plunge of his finger his palm would slap up against her hungry, protruding clit sending waves of pleasure through her stacked body. Lisa clawed the couch and wailed with its amazing satisfaction. This was the sensation she'd been craving ever since Rick got sick, a nice stiff, hard object pistoning in

her cunt, cramming and reaming. She felt herself hurtling effortlessly towards orgasm.

"Ohhhhh, yes, baby, that's it," she moaned, "Keep doing that, don't stop. Make me cum!"

Jimmy leered down at her as he worked his finger fast and deep into her tight, hot little buttery fuck-hole. He fantasized that she was taking his cock, not his finger. As he imagined her wailing and moaning and writhing in ecstasy from his pounding prick, his cock swelled and grew. In seconds it was rock hard, fully engorged and painfully ready for action.

Lisa had her head back, eyes closed, enjoying the finger-fucking. She was getting very close to her impending orgasm.

As he continued to finger-fuck his sexy sister-in-law Jimmy reached down with his free hand and undid his pants and pushed them down freeing his huge pulsating cock. He knew it was a big risk, but he just couldn't resist any longer. He had to fuck his sister-in-law. She was hot and ready, his cock was hard as steel, and he was running out of patience. As quick as a flash, he whipped his soaked finger out of her cunt and rolled on top of her.

"J...Jimmy, w...what..." Lisa opened her eyes and gasped. "Ohhhhh, noooooo! Jimmy, stop!"

By the time she recovered from her surprise, it was too late. Suddenly, they were naked on the couch together and Jimmy was on top of her, his incredibly engorged cock throbbing angrily between her legs. He was between her widespread thighs, and his big stiff cockhead was sliding up her wet cunt. Jimmy's cock looked about a foot long and Lisa gasped as she felt the huge, hot head touch her aching pussylips. She looked down helplessly as he pushed forward and positioned the tip at the entrance of her tiny, drooling cunthole.

She tried feebly to push him off, to remain faithful but her muscles refused to lift her arms. She watched with a mixture of fear and lust as Jimmy positioned himself between her suddenly widespread thighs and prepared to thrust his cock into her drooling pink slit. The hard, purple cock knob popped into her gooey pussy hole. His face was red, his voice hoarse, as he plowed his stiff cock into his sister-in-law's snug little pussy hole.

Lisa's head spun as she realized her husband's own brother was going to be fucking her. She also realized that she was taking a cock in her horny cunt for the first time in over three months, and it felt so damn good! Yet she still tried to tell him to stop, but when she opened her mouth, nothing came out but a moan. She glanced up at Jimmy. His handsome features were a cruel mask of lust as he triumphantly grinned lewdly down at her. She threw back her head and moaned in ecstasy.

Jimmy was in heaven. Her cunt was just as deliciously tight around his prick as it had been around his finger. It felt silk-lined, slippery, and hot as a furnace. As he sank into her, those satiny walls tugged and sucked at his long, thick cockshaft like a hot little mouth as Jimmy shoved his cock to the hilt in Lisa's famished cunt.

Jimmy grunted, coming down hard, nailing his immense prick all the way into the vise like grip of her cunt hole. For a moment he lay still on the busty, sexy blonde, enjoying the pressure of her pussy muscles as they clung needfully to his cock. Jimmy felt her grip him with her cunt muscles - almost as if she was trying to milk his huge boner.

Lisa had lost control of the situation but she still believed she could stop Jimmy. She wasn't committing adultery she reasoned, Jimmy would pull out at the last minute and that would make everything alright. But the ramming of the cock, the thrusting and grinding in her pussy and the stretching of its lips like never before, the slapping of balls, and the sheer indecency of getting fucked like a whore in her own house by her husband's brother was turning a faithful housewife into a slut.

"Ohhhhh, God, yessss! Fuck me!" Lisa wailed. "Fuck me with your lovely big cock, baby!"

She had tried to contain her wild excitement as Jimmy shoved his rock-hard cock into her and began fucking her in swift hard thrusts, but it was no use. She needed to be fucked so badly, needed to feel his prick as it deeply thrust into her cunt. She needed this. She needed to feel the satisfyingly huge cock soothing the itchy inner walls of her creaming, horny cunt.

She loved the feeling of having her brother-in-laws painfully swollen prick driving into her eagerly up thrust pussy. She was proud of her gorgeous body and knew that it would make Jimmy horny enough to give her the savage fucking she needed.

Lisa gave up and went with her natural horny instincts, arching her body up to take Jimmy's long, pistoning prick as deep as she could get it, jerking her hips to his rapid fucking rhythm. He relentlessly speared his huge, swollen fuck shaft into the gushing depths of her pussy. Her frantic humping rhythm spurred him on. Soon he was stuffing her pussy as fast and deep as he could, utterly reaming her fuck channel with every skewering stroke of his prick. Her wet, bald pussy pulsed and spewed, gushing fuck juice onto his cock, milking the belly-probing stiffness of his prick.

"Fuck my pussy, fuck my tight pussy!" Lisa chanted.

Jimmy looked down, watching his cock plowing in and out of his sister-in-law's hot cunt. His cock was covered with her pearly cunt cream.

Her cunt was pulsing uncontrollably, gripping and sucking the throbbing shaft of satisfying cockmeat. Again and again the big fuck organ rammed into her, stretching her bald buttery slit every time he stuffed his huge cock in to the hilt. Lisa's cunt now clung to her brother-in-law's stroking cock with a special tightness, nursing around every inch of the steel hard shaft. Her pussy was so horny and itchy that she couldn't think of anything else but getting fucked. She needed a long, violent fucking now, so she could relieve herself with a long cum on her husband's brother's huge cock.

She threw her arms around him and clung to him, slamming her hips up against his, keeping her thighs wide open. She wanted to be fucked as deep and hard as possible. She wanted to be crammed with cock, fucked till she couldn't take another stroke. She was totally starved for cock, so starved that she was even prepared to forget the horror of her infidelity for the time being in order to enjoy the fucking she so desperately craved. Her body was writhing and jerking in perfect rhythm with his, and she was wailing her delight as he hammered his stiff prick into the depths of her hot, claspng pussy.

"Fuck me! Fuck me hard! Oooooooooohhhhh, baby, fuck meeeeeee!" she wailed. She wrapped her legs around his back, humping fast and hard.

"Fuck my wet pussy, fuck me!" Lisa locked her arms around his shoulders, hugging him tight, gasping and squealing, fucking her ass off the bed in a frenzy of passion. "Harder! You've got me so horny! Oh, fuck, oh, fuck, I'm going to cum! Fuck me God damn it! Fuck my pussy hard! I'm cumming! Yes! I'm

fucking cumming!"

Jimmy insolently slid his enormous cock out of her stretched, creamy cunt slit with a lurid plopping sound leaving a very wet gapping pink hole behind.

"NNNOOOOO!" Lisa screamed. "Jimmy! What ... what are you doing that for, Jimmy? Unggh! Unnggh! Put it back in! Hurry! Oh please put it back in and fuck me! Please Jimmy, I really need to cum bad! I'm so fucking horny!" She spread her legs wider and was thrusting her swollen, wet pussy hole at his cock trying in vain to get it back into her horny cunt. Her pussy was so wet and she wanted to be fucked so badly!

"I don't know Lisa. I'm not sure that you really want my big cock."

"Don't tease me Jimmy! Oh God yes I want your big cock! I love having my horny cunt stretched around it! Fuck my pussy Jimmy, fuck my tight, wet pussy with that big, hard cock! Please, oh please fuck my horny, juicy cunt!" Lisa whimpered and put her hands on her steaming pussy, desperately finger-fucking her wet cunt and rubbing her fat little clit. She rubbed her clit so fast it made little slapping sounds as her fingers flew across her it. Her pussy was screaming to be fucked by his hard cock. Shamelessly, Lisa kept finger-fucking, beating off her horny fuck hole as she thrust her abused, aching pussy at Jimmy's cock.

"My, my Lisa. You are such a little slut." Jimmy said as he began jacking on his prick, watching her hands between her thighs, as she rubbed and fingered her wet pussy. Her fingers were going in and out so fast they made little slurping noises as they slipped between her slippery pussy lips, he could smell her need. "You little whore, I'll bet you don't think about anything but cocks all day long. Look at me you little slut, look at me and tell me what you need."

His words made her feel like even more of a slut looking up at him as shamelessly she finger fucked her juicy little cunt. She lay beneath him with her legs wide apart; her cunt was obscenely exposed as she worked her messy wet cunt with uncontrolled lust. Lisa finger-fucked her pussy in a frenzy; she was alternating between strumming her swollen clit and darting her fingers in and out of her cunt. She was, practically going out of her mind with the need to be fucked.

"Do you want it slut, do you want to feel my cock back inside you? Tell me slut! Tell me what you'll do to get my cock back into your horny fucking hole!"

His words excited the normally reserved housewife. "I'll do anything! I need you. I really need you to fuck me now, Jimmy, please, fuck me." She begged. "I wanna be used, I'm your little slut, your little fuck whore! Fuck me baby! Do whatever you want to do to me! Please Jimmy, I'm on fire! Fuck my cunt! Fuck me!"

"You want my big cock you dirty whore, you little cheating slut! You like this, you little slut, don't you? You like begging for my cock, don't you slut! Here it is slut, if you want me to fuck you then put it in."

She'd fantasized about this several times while masturbating alone, about being treated like the slut she really was. Impatiently Lisa reached down, grasping his cock and directing the cock knob to her pussy. With one hand she guided his dick to her wet, slippery pussy fitting the spongy tip of his steel hard thick prick between the pouting petals of her very tight buttery cunt. She felt the thick meaty prick boring into her, spreading open her pouting pussy lips around the invading thickness of his cock. He

watched her wet pussy lips as they sucked his cock in deeper and deeper, pulling his cock blissfully deeper into her juicy little cunt.

"Oh my god Jimmy, please, fuck me now, do me hard", Lisa said, breathing rapidly, wiggling and humping, fucking her horny, itchy pussy onto the satisfying stiffness of Jimmy's cock. She whimpered with pleasure as his long throbbing cock gradually stretched and filled her cunt, her tight pussy soaking his stiff shaft with her hot juices. Jimmy was all the way inside her, buried to the balls in her cunt. Lisa had never felt so stuffed with hard cock in her life.

Then he pulled out, withdrawing until only the crown of his bloated, dripping hard-on distended Lisa's pussy lips. She whimpered in frustration. Then she shuddered as he came down hard, spearing every inch of his huge pole into her pussy. Lisa screamed and began humping like the sex-starved wife she was, her huge tits bouncing and quivering as she fucked her pussy onto Jimmy's prick. He met her rhythm, relentlessly he worked his hips between her thighs, grunting as he rammed his giant, arrow-like prick into the gooey depths of her sucking pussy, slamming his cock deeply into her buttery, sucking cunt.

"Fuck me," she panted. "Hurry. Fuck my married cunt! Oh, god, do it harder, fuck my married cunt as hard as you can!! I'm a slut for your cock! Fuck my wet cunt."

Her words were urging him to pound his prick into her tight juicy cunt. Taking a firm grip on her hips, Jimmy started fucking into her harder and faster. Lisa responded with wails of delight. He felt her clapping cunt soaking his pistoning prick with spurts of pussy-juice. Lisa moaned and began to hump her pussy onto his cock with eager little thrusts. He really began nailing his immense cock into her clinging, throbbing pussy and she started wiggling and humping like a bitch in heat, frantically fucking her tight, wet pussy onto his thrusting prick.

"That's it slut, fuck your pussy onto my cock!"

"Unnnnhhhh, yes, baby, fuck me hard," she moaned, "fuck my slut pussy, Jimmy! I'm so fucking horny now! Fuck me, fuck me!"

Lisa's eyes rolled, then closed tightly, as she felt herself rocketing toward an intense orgasm. Lisa wanted to go on feeling this steel-hard cock pounding in her cunt forever and ever. She felt a gigantic climax starting in the quivering depths of her pussy and it radiated out to shake her whole body. Her pulsating cunt gripped and sucked at Jimmy's pounding cock, soaking it with hotly gushing pussy-cream. She was so highly aroused, it bubbled out of her tightly crammed pussy and ran down her legs.

"Ooooooh, Jimmy, I'm coming, baby! Ooooooh, Yeeesss, cummmmmiiiiinnngggg! " she squealed.

Jimmy stared down at her in awe as he felt her tight cunt convulse around his pistoning cock. Her curvy little body bucked and shuddered as the hot orgasmic spasms ripped through her. Her cream bubbled up around his prick and her cunt went into contractions, squeezing him hard, the narrow pink walls gripping and contracting around his tremendously huge cock. He didn't come with her, though. His staying power was better than that, besides he wasn't ready to quit yet. This was too good!

As Lisa came down from her delicious climax, she was overjoyed to feel her brother-in-law's cock as hard as ever in her cunt. Her hot little pussy still wasn't satisfied. She was greedy for more, and Jimmy was all ready to give it to her. She wriggled her pussy on the impaling satisfying stiffness of his huge,

pounding cock.

"Mmmmmm, yessss" she moaned, "fuck that big fat prick into me, baby! Give your cock whore every inch of your long, hard cock."

And to make sure she really got every inch of it, Lisa threw her legs up over his shoulders, completely opening herself to him, and then she pushed her legs up even higher, completely opening her gooey fuck hole for the womb-reaching thrusts of his cock.

Jimmy was violently aroused and even more insanely horny than he had been after watching his brother's wife cum on his cock. He fucked her savagely, pounding his cock into her cunt like there was no tomorrow. His balls slapped loudly against her ass, and the impact of his urgent fucking rocked her whole body, banging her blushing little ass into the couch. Lisa clawed the couch cushion and held on tightly, gasping and moaning with pleasure. He started fucking harder and harder, his cock pulsing inside her pussy, easily reaching her womb with every stroke.

"Ooooooh, honey, yesssss," she cried, "I love it, don't stop... fuck me like that. Yeahhhh, real hard! Pound my cunt, baby... fuck it in there! Uhhhhhhh, Goddd I want to be fucked like this forever!"

Jimmy picked up the pace, ramming, savagely drilling his huge, rock-hard cock into the creamy tightness of her cunt. Lisa loved the feeling of the giant cockmeat pole slamming into her womb, ravishing her pussy to bursting with every thrust. Madly she humped her ass to meet Jimmy's rhythm, crazed with her insatiable need and shuddering every time the stiff cock reached the innermost depths of her cunt.

"Fuck me! Fuck me! Harder! My pussy's so wet... Fuck my pussy, fuck my horny little pussy! Oh, yes!! Fuck my slut cunt!! Harder!!"

Jimmy was fucking Lisa hard and very deep. She grunted as the stiff prick rammed all the way into her belly, reaching the depths of her womb. It was such a satisfying feeling. Jimmy fucked her harder still, ramming his hips down, pounding his gigantic prick into the gushing sheath of her creamy wet pussy. Lisa humped frantically to meet his strokes, her giant tits jiggling, her hard nipples brushing against his chest.

"Fuck my cunt, lover, fuck my cunt hole!" She wrapped her thighs together high across his back, holding him close, shuddering as his giant cock sank farther into her pussy. Lisa knew there was more of it, more that he hadn't yet sunk into her. She desperately needed to feel every inch of it of that huge pussy pleaser, every inch of his giant cock-lance ramming into her belly, stuffing her cunt to bursting with the thickness of his prick.

Her cunt was throbbing uncontrollably, gripping and sucking the skewering shaft of his prick. Again and again the big fuck organ rammed into her, stretching her bald cuntslit every time he stuffed his cock in to the hilt, all the way into her throbbing, juice-spewing pussy.

Jimmy slid his hands down, clawing the sides of her ass cheeks. Then he started fucking her as hard as he could. Relentlessly he worked on top of her bare, sweat-glistening body, ramming his cock into her belly, almost punishing her with the steely stiffness of his big cock.

"Unngggh! Oh, Fuck! Jimmy, Fuck Me!"

Now Lisa felt the cum welling up deep inside her, making her gooey pussy suck even harder around his cock. She grimaced, her face contorting with raw fuck passion, twisting her head dazedly from side to side on the couch. Her pussy really began to suck and throb, and she knew she was on the verge of a very violent and hard cum. Then she started humping in a frenzy of fuck need, abandoning all control as she feverishly pistoned her stuffed, and sucking pussy onto the pounding shaft of his prick.

"Fuck my pussy, fuck my horny pussy!" she gasped. "Ungggh! I'm cumming, Jimmy! Oh, please, fuck my horny pussy! Fuck my cunt, it's cumming, cuuumiiiiinngg!"

Her pussy spasmed violently in orgasm, the juice nearly gushing out of the ravished cunt-slit, the bare lips throbbing with almost painful intensity around the racing shaft of Jimmy's cock. He kept fucking her cunt as hard as he could and felt his sister-in-law's cunt spasm tightly around his thrusting cock, almost sucking the jism right out of his balls. Watching Lisa's intense orgasm was violently arousing and he kept fucking her through every second of it.

Lisa could tell something was different. Jimmy was grunting and his cock seemed to be swelling even bigger, getting harder as it bore in and out of her buttery, bald fuck hole. She looked up at Jimmy's lust-contorted face and realized that her brother-in-law was about to shoot his load into her unprotected womb.

"Take it out," she panted, "don't come inside me," she added quickly, "I'm not on the pill. Take it out Jimmy! I-I want you to cum on my face! Treat me like a slut and cum on my face!"

Hearing her ask for a facial was all the encouragement he needed. Jimmy quickly pulled out of the gooey depths of her sucking pussy and pointed his cock at her face. Lisa surprised him by opening her mouth and sticking out her tongue. He was stroking the length of it, he could feel his load of cock juice spewing out of his balls

"Here it cums, slut! I'm cumming! Jesus! I'm cumming on your hot fuckin' face! Take it slut! Unnnnngggghhhhhhh!" he yelled, flooding her face with a load of boiling-hot sperm as his balls erupted. It lashed out of his cock tip, spraying onto Lisa's face. The giant cock kept spraying out cock juice. Hot gobs of rich, salty jism blasted out of his boner, vaulting onto the sexy, horny, cheating wife's face and tits.

Stream after white stream of cum squirted out, blasting Lisa's face. It splattered against her forehead above her eye, running down her cheek to her mouth. She moaned and licked it off her upper lip. The hot, milky white jizz squirted out of his big dick across her face and into her hairline. More gobs sprayed right into her open mouth. Her face and neck were coated, her tits had long ropes across them and strings of cum hung from her nipples. She smiled happily as her face was drenched with the salty outpouring of her lover's cum cream.

Lisa looked up at him, every bit the cum covered slut, and smiled. "Thanks Jimmy. I needed that."
